

# Volunteers Make A Difference

“Community Partners” is a group of community organizations that gather together on a monthly basis to network and share ideas and initiatives related to community development, supports and services.

We are exploring the possibility of partnering together to host a  
**Volunteer Appreciation/Celebration Event during Volunteer Week in April 2010.**

As part of our research, we are trying to collect information about the various businesses/organizations that have volunteers.

**If you have Volunteers, please complete the following questionnaire:**
